Guidance Activities Results Report (Large Group)

School: Tintic High School

Target Group: UBSCT REMEDIATION/UBSCT PRACTICE

Target Group selection is based upon: students that need to retake sections of the UBSCT or students taking the UBSCT for the first time.

Key Word: UBSCT

ABSTRACT Achieve school success. Develop basic skills in reading writing, math and reading. Students that have previously taken sections of the UBSCT and failed a section or students who are taking the UBSCT for the first time are given the opportunity to have remediation or tutoring on any section of the UBSCT as needed.

PROJECT DESCRIPTION

Individualized instruction for students that are taking the UBSCT from teachers at Tintic High School

Introduction

•

Participants

- Seniors, Juniors, and Sophomore students

•

Method

- Interpret previous UBSCT results
- Identify students
- Send letters to parents
 - Expectations that students attend
 - Class is free
 - Tutoring for practice and problem areas identified from previous test or class work

RESULTS

Math and writing were the areas focus areas. Remediation was needed for one student in writing. Eight students needed remediation in math. Remediation was needed for one student in reading. Twenty-two sophomore students took the UBSCT for the first time in February 2008.

Reading

22 out of 23 passed

Math

21 out of 30 passed

Writing

17 out of 23 passed
